

Amendment 1:

The board unanimously agrees that the following amendment be made to the Central Ohio .Net Developers group bylaws:

This amendment changes the qualifications for the status of supporting member as described in Article 2 Section 2 "Classes of Membership"

Section B of the "Classes of Membership" shall be amended to state:

A member attains Supporting Member status by attending at least four meetings during the last calendar year.

- i. Supporting Member status is evaluated by including the current meeting along with the eleven prior meetings for purposes of establishing whether four meetings have been attended.
- ii. A new member who attends four meetings in a calendar attains Supporting Member status on the fourth meeting and thus may vote at that fourth meeting.
- iii. For example, in order to vote at the annual Business Meeting, which is normally held in December, the member must attend at least four meetings since the December meeting the previous year.
- iv. Failure to attend four meetings in the last calendar year will revert the membership to the General Member Status.

Approved by the Board of Directors this 13th Day of January 2012.
